MS ANNA DOW, LEGAL COUNSEL
LA AUCTIONEERS LICENSING BOARD
1434 N BURNSIDE STE 14
GONZALES LA 70737-2155

Dear Ms. Dow:

At the LALB Board meeting of May 17, 2010, a substitute motion was voted upon entailing sending another member of the Board to the NALLOA Conference in Greensboro, North Carolina in July if neither Chairman Comer nor Vice Chariman Steinkamp could attend. As you are aware, I had made known my desire to go and the fact I'd gone the prior two years at my own expense and the fact that I'd been approved for 2008 cost reimbursement by the Board but never received that reimbursement. As you know, the substitute motion failed by a vote of 5-2. Those in favor were myself and Board Member Burns. Those in opposition to the substitute motion were Chairman Comer, and Board Members Brister, Bordelon, Gay, and Steinkamp.

By way of this certified letter, I ask that you provide me with a list of all Board Members who have been reimbursed for travel to the NAA/NALLOA conference since January 1, 2000. I ask that the list be itemized by officer title should any attendees who attended hold a title with the Board. I also ask that the amounts of their respective individual TOTAL reimbursements be included with the list.

I also request that you provide me with any written evidence of the LALB having ever voted against sending a Board member to the annual conference after the Board member expressed interest in attending the conference at any meeting prior to May 17, 2010.

Sincerely,

Freddie Phillips
