MS DEBORAH STEINMETZ
650 POYDRAS ST STE 1425
NEW ORLEANS LA 70130-6202

Dear Ms. Steinmetz:

At the Louisiana Auctioneer's Licensing Board (LALB) meeting of Monday, July 18, 2011, Ms. Sandy Edmonds, Executive Director of the State Board of Examiners of Interior Designers (IDB) on which you serve, stated that EBRP Deputy Landry had been retained specifically as a result of the presence of myself and Rev. Freddie Phillips. There was also considerable other commentary regarding how Rev. Phillips and myself pose major inconveniences to you in that you no longer have the luxury of meeting in public restaurants to conduct meetings due to "Mr. Phillips' presence combined with Mr. Burns showing up with his video camera."

As you will recall at the IDB meeting of Thursday, April 14, 2011, I made mention at the end of the meeting, which Rev. Phillips has recorded on DVD, that I felt each member of the Board had been most gracious to us, and I stated that I hoped each member felt the same graciousness had been extended back to you on our parts. Everyone stated or nodded clear agreement.

With that being the case, I do not feel that Ms. Edmonds properly represented your position regarding her statements at that LALB meeting. I welcome you to call me, and I will be happy to send you a You Tube video link via email to where you can view Ms. Edmonds commentary in the comfort of your own home or office. Alternatively, I will bring a small DVD player and DVD to the next meeting on Thursday, August 11, 2011 in order than anyone who wishes may view Ms. Edmonds comments.

As I said above, I personally do not feel Ms. Edmonds' commentary reflects your sentiments; however, I will respectfully request that you either confirm or repudiate Ms. Edmonds' commentary in order that the matter may be cleared up since we've not gotten conflicting signals regarding our presence.

The IDB is welcome to hire as many security officers as it deems appropriate for its meetings; however, when you state publicly that you are doing so as a result of my presence, such a statement is likely to have consequences to the IDB which I don't think either of us would care to see transpire (I know I don't), and I have every confidence that you will "clear the air" on this issue at the August 11, 2011 meeting.

Sincerely,

Robert Edwin Burns
