Louisiana Auctioneers Board  
Attn: Ms. Sherrie Wilkes  
5222 Summa Court, Ste 352  
Baton Rouge, La. 70809

Dear Sherrie:

Thanks for making the effort to help me help Forum 35. Although I am not a member, I firmly believe that these young leaders are trying to make a positive impact on the future of our city.

These days I don't do much for charitable organizations because they never appreciate the help. I know Forum 35 was not trying to circumvent the law otherwise I wouldn't be helping them. They were just ignorant of the law and not informed by the folks they consulted with. The other thing I'm sure about is that Heidi Sonnier, a business associate of mine would not participate in anything that wasn't 100% straight business and something positive for the community.

If either of you or someone from the commission would like to attend this black tie event I would be pleased to have you as my guest.

So thanks again to you and Anna for making this possible for Forum 35.

Sincerely,

Jak Kunstler

TO THE LOUISIANA AUCTIONEERS LICENSING BOARD

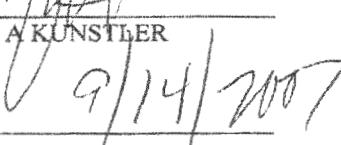

I, Joseph A Kunstler, a licensed Louisiana auctioneer, hereby states to the Board:

That I will be handling the auction for Forum 35, presently scheduled for October 4, 2007.

That no other auctioneer or firm, except for Louisiana licensed auctioneers, will conduct the auction. I will be assisted by members of Forum 35, but I understand that only I or another Louisiana licensed auctioneer will be capable of calling the auction.

That if no auctioneer receives any fee for his work, including myself, and Forum 35 is able to get a sales tax waiver as a charitable organization, then this auction would fall under the exemption to the licensing law as a charitable auction.
