 the deep

 dug in
 his testimony).

1 A. Right.

2 Q. Okay. Some parts of your testimony
 3 where you referred to "my company" or "our
 4 profit" or "our deal," you are referring to
 5 Henderson Auctions, that is, J.A.H., Inc.; is
 6 that right?

7 A. Right.

8 Q. So to the extent you used the word
 9 "I" or personal pronouns, you were referring on
 10 these tractions to the company?

11 A. I can say that's a generality. I
 12 started that company 60 years ago.

13 Q. Right.

14 A. It's transpired and changed and --

9 A. Yes, sir.

10 Q. Okay. Would you -- who would be the
11 right person to ask any questions about
12 profitability of any transaction which
13 Mr. Blake Everett or JA -- or BLH or Sam
14 Everett are claiming a profit?

15 A. The right person in our company --

16 Q. Yes.

17 A. -- to ask that? I'd say Janet.

18 Q. Okay.

19 A. She has girls that work for her that
20 assist her in those things, but she would be
21 the one I would go to.

22 Q. Right. And at some point, you also
23 talked about a settlement, a settlement sheet.
24 Do you remember that testimony? You had a --
