Sandy:

Since the results of my most recent public records request indicated that there were no closed investigations for which the LALB may have discussed in executive sessions and in consultation with Rev. Phillips regarding same, we believe it is in the best interest of auction consumers throughout Louisiana that LAPA engage in a 100% audit of all auctioneer files. We expect this to be a gradual 2-3 year proposal during which approximately 20 files a month are examined. With that in mind, I make the following public records request:

1. A copy of the current contract with LALB attorney Anna Dow.
2. The following auctioneer files (to include ANY investigative-related files, including investigative reports authored by Jim Steele or other investigator(s), irrespective of file location):

Armstrong, Jack  
Buhler, Ken  
Campbell, Cecil  
Gilmore, David  
Granger, Mark  
Jones, Renee  
Kelley, Kevin  
Rosato, Jerry  
Scheer, Paul  
White, Kathleen

In order to properly track this endeavor, LAPA will be maintain a master list which likely will be made available to the public as the project nears completion. You're welcome to reference that list at this link: [http://www.auctioneer-la.org/Auctioneer\\_Reviewed\\_Files.pdf](http://www.auctioneer-la.org/Auctioneer_Reviewed_Files.pdf).

Thanks, and I hope you had an enjoyable Thanksgiving and will have an enjoyable upcoming holiday season as well.
